BIOGRAPHY

Meea Kang is President and Co-Founder of Domus Development, LLC. Her career has given rise to nearly 2,000 units of affordable and market rate housing in California. Since 2003, her company, Domus Development has produced socially- and environmentally-conscious ventures by revitalizing underutilized properties, improving infrastructure, involving communities in the planning process, creating public-private partnerships and assembling complex layered financing. Ms Kang is a leader in developing transit-oriented development with mixed income and affordable housing'

Ms. Kang is also a founding member and President of the California Infill Builders Association Board of Directors, a not-for-profit organization advancing the goals of focusing development inside cities and towns and controlling sprawl. Ms. Kang is leading the charge to make development policies more friendly to compact growth close to jobs and transit.

In 2011 Ms. Kang was honored as a Northern California Real Estate Women of Influence and in 2010 was honored with the Sierra Business Council's Visionary 2020 award. The California Air Resource Board recognized her company as a Climate Leader taking proactive steps to reduce climate change through smart growth. Kang earned a Masters of Architecture from UC Berkeley and a Bachelor of Fine Arts from Cornell University.
