

# Registration Fee Deferred Payment Plan

The **Registration Fee Deferred Payment Plan (RFDPP)** is designed to give students an opportunity to extend payment of their Registration Fees.

**Two options exist for this plan.** You may use the plan each semester or apply once in the Fall for the entire academic year. The **annual plan** allows a student to pay fees monthly on a dependable schedule from September through April.

An application fee of \$37.50 per semester or \$70.00 per year is charged to offset administration costs of the plan. This application fee is **nonrefundable** and must be submitted with the application.

To enter the RFDPP using the semester option, you would pay at least one quarter of the fees for the current term no later than the fee payment deadline, which is the first day of the Fall or Spring semester. If you choose the annual option, available only in the Fall, you'll pay at least one quarter of the Fall semester fees no later than the fee payment deadline. The balance will be paid in installments according to the RFDPP option selected.

## How much can the plan cover?

The RFDPP allows a student to extend payment of the net Registration Fees, (Net Registration Fees are the fees remaining after all credits such as seat deposit, fee waivers, grants, scholarships, fellowships, loans and other financial assistance has been applied).

Students may elect to use the RFDPP whether or not they qualify for financial assistance.

**Previous account balances must be paid at the time the plan application is submitted.**

## How do I make Payment?

The amount approved for the semester RFDPP option will be due on the 10th of the month as follows:

**Fall semester installments** will be due in September, October, November, and December.

**Spring semester installments** will be due in January, February, March and April.

**If you choose the annual RFDPP, your installments will be due** on the 10th of the month, September through April.

A late fee of \$10.00 will be charged per late installment.

## How do I apply?

A completed application form must be submitted along with the required payment no later than the fee payment deadline. The RFDPP is not available after that date.

## Formula to calculate Payment

\_\_\_\_\_ Registration Fees  
\_\_\_\_\_ Health Insurance (if applicable)  
\_\_\_\_\_ **Total**  
\_\_\_\_\_ Divide total by 4  
\_\_\_\_\_ Round up to nearest dollar  
\_\_\_\_\_ Add your application fee,  
\_\_\_\_\_ \$37.50/semester or \$70.00/year  
\_\_\_\_\_ **Total due to enter RFDPP**

**Remember to pay any previous account balances with your total due to RFDPP to be qualified for the plan.**
