

RIA CHECKPOINT REGISTRATION

updated September 1, 2010

U.C. Davis Law School Faculty: contact lawlibref@ucdavis.com to request a faculty password.

U.C. Davis Law Students Only: To register for *RIA Checkpoint* access, complete the following instructions:

1. *RIA Checkpoint* user registration must take place from a law school computer, from student computers connected to the law school intranet or VPN (for remote users).
2. Go to: <http://www.checkpoint-registration.riag.com/schools>
3. At registration site:
 - a. Check the box for license agreement. A smaller pop-up window will contain a license agreement -- read agreement and click "accept." IF YOU DO NOT SEE THE ACCEPT BUTTON and you are using Internet Explorer 8, go to the browser's **Tools**, select **Compatibility View Settings** and check-the-box at the bottom next to "Display all websites in Compatibility View." Re-start steps above, then continue:
 - b. Type first name, last name and e-mail address.
 - c. Select applicable semester term.
 - d. Click "Register."
 - e. If the registration has been successful, you will receive a confirmation e-mail message containing login information – follow instructions provided and make a note of the password.
 - f. Repeat steps if error messages are encountered and contact lawlibref@ucdavis.edu if problems persist.

NOTE: UCD law student *RIA Checkpoint* access expires on or near the end of each semester. Active students may re-register for another semester – repeat steps above.

After initial registration, *RIA Checkpoint* can be accessed from any computer connected with the internet regardless of IP address – store your username and password in a safe and handy place.
