Dear Prospective Law Student,

On behalf of the King Hall Lambda Law Students Association, I invite you to join us at the UC Davis School of Law on Thursday, March 5th, 2009, for our annual Lambda Shadow Day. We've designed the event to give anyone considering law school the chance to be a law student for a day. Lambda Law Students Association extends a warm welcome in particular to the lesbian, gay, bisexual and transgender community and friends of the LGBT community.

As a guest of the Lambda Law Students Association, you will meet with Lambda students and King Hall professors and will have opportunities to attend law school classes and learn more about life in law school. In addition, Prop 8 oral arguments are scheduled before the California Supreme Court on March 5, and we'll be screening them live. Immediately after, we'll host a panel lunch with King Hall professors reflecting on the morning's arguments. The agenda for the day includes:

- 8:00-9:00 Welcome Breakfast with Lambda Students & Professors
- 9:00-12:00 Attend Class, Meet Law Students & Watch Prop 8 Oral Arguments
- 12:00-1:00 Prop 8 Oral Arguments Lunch Panel with Professors
- 1:00-2:00 Presentations by Admissions & Financial Aid
- 2:00-4:00 Attend Class (optional)

The U.C. Davis Lambda Law Students Association is a student organized and run group within the law school. We represent the interests of the lesbian, gay, bisexual, and transgender community at King Hall. With a mission of activism, education and community, Lambda sponsors events like:

- The Annual Lambda Law Welcome BBQ for members, friends, allies & alumni
- Coming Out Week with guest speakers including Assemblymember Mark Leno, West Sacramento Mayor Christopher Cabaldon and transgender advocate Jamison Green.
- The Lambda Legal Clinic, staffed by UC Davis & McGeorge students, at the Lambda center in Sacramento, providing legal referrals in the LGBT community;
- Social events and mixers, including wine & cheese parties and film viewings

If you are interested in attending, please contact me at ellunsford@ucdavis.edu.

Sincerely,

Eric Lunsford
