

This document is provided to allow applicants to have a preview of the application to the King Hall Outreach Program 2024 Summer Session. The application itself is hosted using a platform called Qualtrics, but there are enough questions that we want to make sure you have an idea of what you will need to know before you start.

Please read each question carefully. Once you are filling out the actual application, please be sure to answer all required fields. If you have questions as you complete the application, email outreach@law.ucdavis.edu.

In addition to the online application itself, there are several documents that need to be sent to us separately as attachments to a single email. Your application will not be evaluated until all of the following required documents have been received. The deadline to submit your application and all supporting materials is Friday, May 17, 2024, but applying early is strongly recommended. It is common for applicants not to submit an essential component of the application (such as a letter of recommendation, which must be submitted by its author, or a junior college transcript). Applying early gives us time to let applicants know that a required component is missing and gives the applicant time to submit that component.

Personal Statement

Please discuss how your background, attributes, experiences, interests, or perspectives would enable you to make a distinctive contribution to the King Hall Outreach Program, law school, and the legal profession. Examples of matters to discuss may include any of the following: significant economic, familial, educational, cultural, physical or other hardships and challenges overcome, unusual life experiences, evidence of potential for leadership, demonstrated commitment to serving underrepresented communities, and reasons for your pursuit of a law degree. The document should be one to two double-spaced pages using twelve-point font and one-inch margins, and you must save it as a PDF file. Please name your personal statement file: Last Name-First Name-Personal-Statement.pdf (e.g., "Schneider-Joseph-Personal-Statement.pdf")

Résumé

We require the submission of a résumé with your application. The résumé should be one page and list your relevant educational, extracurricular, and professional experience and accomplishments. Please name your resume file: Last Name-First Name-Resume.pdf

Letter of Recommendation

Letters of recommendation MUST be emailed to us directly from their authors along with a signed waiver form. They cannot be emailed to us from applicants themselves. Ask one professor or teacher to write a letter of recommendation that describes in detail your academic and personal qualifications and accomplishments. The letter of recommendation must be signed by your recommender and accompanied by a waiver form. Download and print the recommendation letter waiver form from our website, sign it, and give it to your recommender to submit with your her/his letter. Your recommender may email the recommendation and waiver form (as attachments in PDF format) to outreach@law.ucdavis.edu

We must receive your recommendation by Friday, May 17, 2024.

Transcript(s)

Please provide unofficial transcripts in PDF format from all post-secondary institutions you have attended or are attending (junior/community colleges, universities, etc). Your name must appear on all transcripts. If you are admitted to the program, official transcripts may be requested. Please name your transcript files: Last Name-First Name-School Name-Transcript.pdf

2023 Federal Income Tax Returns

To demonstrate eligibility for KHOP, we require financial information. Please provide the first two pages of your 2023 Federal Income Tax return in PDF format. If you were claimed as a dependent on another person's 2023 Federal Income Tax return (e.g., a parent or guardian), submit the first two pages of that income tax return as well. If you, or your parent/guardian, did not file taxes in 2023, submit the 2022 return. If neither your parent/guardian nor you filed taxes in the past two years, submit a copy of your financial aid award letter from the most recent academic year. If neither your parent/guardian nor you have filed taxes in the last two years and you have not received financial aid in the past two years, submit a brief explanation of how you have paid for your college education. Note: Do not send copies of your W-2 forms. Please redact (black out) all social security and tax-ID numbers on tax documents. Please name your tax documents: Last Name-First Name-Tax Document.pdf

- An affirmative answer to either of the following questions does not necessarily preclude or prejudice acceptance to the UC Davis School of Law King Hall Outreach Program. Your answer will be reviewed along with all aspects of your experience, academic achievement and potential.
