

UC DAVIS SCHOOL OF LAW RECRUITING POLICIES

Effective May 2019

NALP Principles for a Fair and Ethical Recruitment Process

UC Davis is a member of the National Association of Law Placement (NALP). In December 2018, NALP eliminated their recruiting policies, the *Principles and Standards for Law Replacement*, replacing them with their [NALP Principles for a Fair and Ethical Recruitment Process](#) which students and employers shall also adhere to. Additionally, UC Davis has created the following recruitment policies.

Non-Discrimination

The UC Davis School of Law Career Services Office expects employers recruiting at King Hall to share our belief that the diversity of our students' backgrounds, experience and interests will enrich the legal profession.

UC Davis School of Law does not make its career services facilities or services available to employers who discriminate in the selection of employees on the basis of race, color, national origin, religion, sex, gender, gender expression, gender identity, pregnancy (including pregnancy, childbirth, and medical conditions related to pregnancy or childbirth), physical or mental disability, age, medical condition (cancer-related or genetic characteristics), ancestry, marital status, citizenship, sexual orientation, or service in the uniformed services (includes membership, application for membership, performance of service, application for service, or obligation for service in the uniformed services) status as a Vietnam-era veteran or special disabled veteran, in accordance with all applicable state and federal laws, and with university policy). Employers must ensure that they are in compliance with the Americans with Disabilities Act. A limited exception to this Policy exists for military recruiters to the extent that their employment and hiring practices are permitted under federal law.

An employer that submits a job posting or registers for our On-Campus Interview Program/Resume Collection affirmatively agrees to comply with UC Davis School of Law's Non-Discrimination Policy.
